ARNOLD INDUSTRIES

Arnold Industries has serviced the Mil-Spec community since its inception in 1968. Located in the Boston area, we are well positioned to service the prime government contractors and subcontractors in the six New England states.

As a woman-owned company, Arnold Industries actively participates in DOD mil-spec sourcing practices and procedures. Our Federal Cage Code #1W9W7 and SBA Pro-Net ID #PO253755 document our conformance to established DOD and SBA procurement practices.

Our web site www.arnoldindustries.com provides a comprehensive overview of our facilities and capabilities.

"Arnold Industries is proud to play a part in supporting our country's defense effort."
